

The Mighty '70ers Newsletter

Chair's Corner

Kathy McIntire Sutton, Chair

Fall is here. It is getting really nice here in Arizona. I bet it is nice where you are, too.

This is for those who have an AOL email address. In the past when Marilyn O'Leary-Heaney was the editor, I would constantly get several AOL emails returned after sending the newsletter each month. Now with this newsletter, I hardly get any AOL emails returned. Lately, I have received from some class members saying that they did not get the newsletter after they heard from another class member that the newsletter was sent out. I tell them to check their junk mail. Yes, often they find their copy in there. So, for those who have AOL email addresses, please check your junk mail often.

Paul Stefurak sent me a QR code for our gally70.com website. Use your camera on your cell phone. Put the camera on the QR code. It will either click it itself or you need to click it. Now you have the gally70.com on your phone. Isn't that awesome!!!! Thank you, Paul.

Many of you have received a card from the Office of Alumni Relations relating to the Virtual Alumni Homecoming October 22-24, 2021. You can visit this link: <https://gu.live/AlumniHC>

THANK YOU to those who responded to the survey. Sixty-five out of 160 class members responded to the survey. That is a good number to justify the options that you picked. Some of you have picked only one instead of two.

#1-Attend Homecoming in October in 2022 = 53

#2-Go on a river/sightseeing cruise in 2022/2023 = 21

#3-Wait until our 55th Class Reunion in 2025 = 34

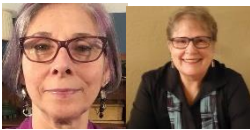

#4-Meet somewhere in the middle = 13

Two class members mentioned-DSA 2023 in Hollywood, Florida

Six class members said that they plan not to attend.

As you can see that the majority of the class members wants to attend the Homecoming 2022 and 2025. It shows that they want to be there in person. Gallaudet was our second home away from home and still is.

When the two class members mentioned the DSA 2023. I had not thought about it, and I thought it was a great idea. I had never heard of the DSA until I became the chair for our 50th class reunion. Several of you mentioned about it and said that you have had several mini class reunions at the DSA in various cities in the past years. DSA 2019 in Seattle was my first experience. It was so wonderful to see 24 of our class members there. I am sure that some of our class members who live in Florida will be happy to find a day, time, and place during the DSA 2023 where we can meet and enjoy visiting one another. All we need to do is book a room at the hotel.
