Happy New Year! It is a beginning of a new year. We can start fresh in the new year. We can make our lives more meaningful and useful by making new goals, new plans, new hobbies, and new activities.

In the spring of 2019, I learned about the Deaf Seniors of America (DSA) for the first time. It was so new to me. I asked around to find more information about it. I learned that many of our class members were planning to go to the DSA 2019 in September in Seattle, Washington. My husband and I decided to go. We had a great time. It was so wonderful to see our class members. We learned a lot from the workshops we went to.

Some of you mentioned in the survey last fall about the DSA 2023. It would be so awesome if many of us can be there. I am sure many of you have received the magazine and/or emails about the 17<sup>th</sup> Biennial Deaf Seniors of America Conference. It will be in Hollywood, Florida from June 24-30, 2023. If you need more information – Contact [dsa2023reg@deafseniors.us](mailto:dsa2023reg@deafseniors.us).

Many of you may be wondering about this coming 2022 October Homecoming weekend. I contacted Abby Drake from the Alumni Relations to get more information. As soon as I hear from her, I will mention it in the next newsletter.

Included in this newsletter, you will see the Class of 1970 Treasury Fund Annual Report.

I hope this year is full of wonderful beginnings for each of us! Stay healthy. Be safe. Enjoy life.
