## Newsletter

### **Chair's Corner**

*Kathy McIntire Sutton, Chair*

Almost five months have gone by, and summer will be here soon. We have some news to share with you this month. Thanks to the ninety-one class members who responded to the recent survey. This survey helped us see if we should or should not have a reunion this fall. The results:

Do you plan to attend the 1970 class reunion?

Yes - 18; More Likely - 14; Less Likely - 17; No - 42

Based on these results, we decided that it will not be feasible for us to have our class reunion for this coming October 2022. Our next reunion will be in October 2025 – our 55th class reunion. You can still go to the 2022 Gallaudet Homecoming weekend-October 20, 2022. The events and activities will be announced soon.

For those who want to get their Medallion before our next reunion, you need to contact Abby Drake - [Abby.Drake@galludet.edu](mailto:Abby.Drake@galludet.edu) - If you can't make it this year, you can go next year or the year after. You just need to be there in person to receive the Medallion.

As you know, there will be a DSA convention in Hollywood, Florida in June 2023. Many of you may be planning to be there. We can set a time to get together during the convention as the time gets closer.

You will receive the Newsletter when there is some news such as a death of a class member, information about our two endowments and/or our class treasury, and other special announcements.

May you have a wonderful and relaxing summer!
