

# The Mighty '70ers Newsletter

## **Chair's Corner**

*Kathy McIntire Sutton, Chair*

Here we are now starting the new year of 2021. I have been keeping in touch with a few of our class members to follow up with some items that needed to be taken care of.

Two weeks ago, I was browsing through the gally70 website. Wow! Awesome! Paul Stefurak has done a beautiful job with the help of Fred Pickering and Mary Kraus. Please do find time to browse through the website- <http://www.gally70.com/>.

Last week, finally I was able to sit down and read through our 50th Anniversary Book. Bernie Brown and his committee did a fantastic job. There were a lot of memories in the book-some of them I had forgotten.

May we stay strong and united in the spirit of the Mighty '70ers.

## **Class Gift/Endowment Fund Report**

The Class of 1970 Jack R. Gannon '59 Alumni Relations Fund is now fully endowed with a principal of \$28,510.00. Jack and Rosalyn Gannon donated to the fund in honor of Jack's birthday right before Christmas. This fund has already accrued interest; more information about this will be in the next newsletter.

By the time you receive this newsletter the Mighty Class of 1970 Student Scholarship Fund will have been fully endowed with a principal of \$45,320.00.

Soon our class-giving weblink will have a drop-down option for indicating to which endowment you wish to donate. For now, to make a contribution you can note which fund in the comment box at <https://www.gallaudet.edu/office-of-development/giving-at-gallaudet/class-giving/class-of-1970>.

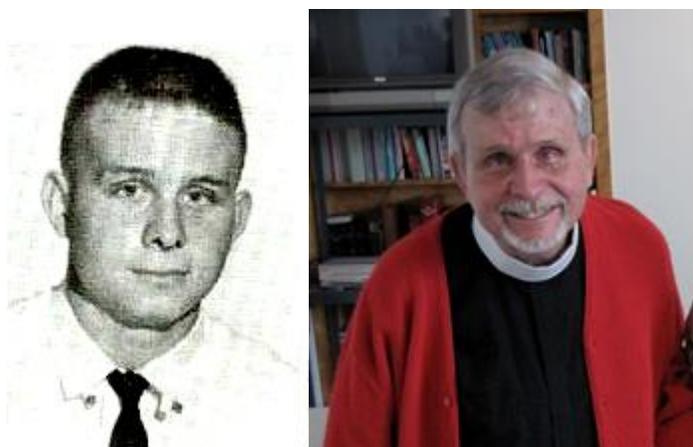

In other news, the Class of 1971 recently announced a fund-raising effort to raise their current endowment principal to \$71,000. How exciting to see our class is having a ripple effect on others!

Again, we thank you all who donated.
