## Chair's Corner

*Kathy McIntire Sutton, Chair*

Hello 1970 Class members,

I hope you are all doing well. The past five weeks have been quite an experience for me. I had surgery on my left shoulder due to a big tear and three detached tendons. It turned out well. My husband, Rob had a complete replacement on his right knee. Our son, Robbie came to take care of us while our daughter and family were out of town. Then I ended up in the hospital with a kidney stone and infection complications. Now I am home recovering. I sure hope that none of you need to go through this. Hence the May/June 2021 Newsletter will give you the updates.

I am pretty sure that you all are aware that Cynthia Neese Bailes, one of our 1970 class members, is a member of the Board of Trustees. I was so excited to see her video sharing her part of the committee meetings. If you want to watch it, here is the link:

### **Class Treasury Report**

*Fred Pickering, Treasurer*

Hope you all are well these days...

As the long-time Class of 1970 treasurer, I wanted to drop a few words about the future of our class treasury fund.

First, I want to thank Arlyce Vaught Watson and Kaye Peacock, who served as auditors before and after our 50<sup>th</sup> class reunion. Their oversight of the management of our class fund has been helpful and appreciated.

Moving forward, we have expanded the role of the auditors to work with me on a plan for our class fund once we, the Class of 1970, decide to close our account. Thanks to our new auditors, Celia May Laramie Baldwin and Joel Silberstein, for agreeing to take this on. We will work with the Gallaudet University Alumni Association (GUAA) and the Gallaudet University Office of Development to consider options for donating what remains in our treasury account.

We will be communicating with you regularly through this newsletter as we work through this planning process and will acquire your approval once we have proposed plan.
