

The Mighty '70ers

Newsletter

Chair's Corner

Kathy McIntire Sutton, Chair

Time surely flies quickly. It will be September in a couple of days. Summer is about over. Fall is approaching. The weather will start to get cooler. Enjoy the fall colors.

You will see three items in this newsletter. One death, one survey and one class members information. See Mary Kraus' Memorial Report.

Some of you have contacted me about when will be our next 1970 class reunion or getting together in person. I have talked with other people about it. We know that the Class of 1971 will have their 50th virtual class reunion this coming October 2021. I contacted Abby Drake from the Office of the Alumni Relations asking her what does it look like in the year of 2022. The spring of 2022 is not feasible. As of now, the Homecoming event in October 2022 is still on.

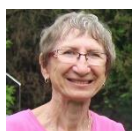

I am sending out a survey to find out what you would like to do. I do hope you will respond to the survey. It will give us an idea what the class members want.

Here is the link. <https://form.jotform.com/212385076769063>. **Deadline is September 12, 2021.**

Fred and I have been working on the class members list. Right now, we are focusing on those who have email addresses, but have not responded for the past three years. We are not sure if these email addresses are up to date. We have had several class members responded in the past two years after not hearing from them for a long time. We are also trying to find email addresses for other class members with no email addresses. We put the last known state they were in. Hopefully that will help us (who live in that state) look for them. If you know their whereabouts, please contact them, and tell them that we are looking for them. Also, please give us their email address. Fred will contact them to verify their email address. Some of them may have passed on. If that is so, then we want to include them in our Memorial list. We do appreciate your help on this. Any information will help a lot. Let's find them. (See next page) Send any information to Fred Pickering - fpic47@gmail.com.

Memorials Report

Mary Ann Limoni Kraus, Coordinator

It is with our sympathy that Holly Dorsch Auman passed away on August 15, 2021 in Chandler, Arizona. You can find her in the Memorials List. Her obituary will follow soon. You can see her profile on page 63 in the 1970 Anniversary Book.
